

CARLY PATTERSON

Olympic Champion | Author | Speaker

At the 2004 Olympic Games in Athens, Carly Patterson became the first American gymnast in 20 years to win the All-Around Olympic Gold medal and the first American to win the All-Around in a non-boycotted Olympic Games

CARLY'S MESSAGE

Carly has inspired thousands of people by sharing her story of dedication and hard work. In her keynote address, Carly shares how she redefined success through three principles she learned as a championship-level gymnast and in the years that followed. Carly's authentic, humorous, and down-to-earth communication style is the perfect vehicle for a message that students, athletes, and professionals need to hear in order to embrace true success and find lasting fulfillment.

PRAISE FOR CARLY

Carly has quickly become a student favorite keynote for our Character U program at DeSales University. It's not every day that a student can meet a gold medal Olympian and wear her medals! She has a powerful message that the students value and appreciate.

Chad Serfass

Director for the DeSales Experience in Character & Leadership

She was truly phenomenal! So relatable, caring and warm! She spoke a powerful message that left a lasting impact on students for years to come. This is a word that will not be soon forgotten. If you have the opportunity to have Carly speak...do not let it pass you by. Her message captivates the hearts of her audience and her passion moves those in the room.

Pastor Jeremy Baker

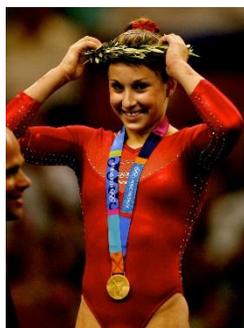

Elevate Life Church

Once she took the stage she was able to quickly capture the attention of everyone in the room. Her speech was inspiring and her video footage was able to visibly demonstrate her pursuit of Excellence during the Olympics. I would recommend Carly for any appearance as her story is relevant to everyone.
